

and which Application was the Application entering the National Phase in the United States from PCT Application Serial No. PCT/CA90/00306^{filed 9-18-90} which Application claims priority from Canadian Patent Application Serial No. 612,307-4 filed September 21, 1989."

In the Response also dated March 5, 1993 to the Official Action relating to the Election of Inventions, the Applicants enclosed two documents, each entitled "Declaration, Power of Attorney, and Petition" executed by Drs. Rudolf Edgar Falk and Samuel Simon Asculai which referred to the Canadian Patent Application Serial No. 2,061,566 from which Applicants claimed convention priority and referred in the said Declaration, Power of Attorney, and Petition to the earlier filed United States Patent Application 07/675,908 from which it claimed the Application was a Continuation-In-Part Application. (Applicants also enclosed a certified copy of Canadian Application 2,061,566 from which priority was claimed.) The Examiner now states in paragraph 17 of the Action that the Oaths or Declarations are defective. Applicants are in the process of preparing a new Oath and Declaration as a single Oath or Declaration and will be forwarding same in due course.
